

## HARK, ROSIE, TYSON & TIGER

Join Hark, Rosie, Tyson, and Tiger as they take you on a journey through history from a unique perspective in the Hoofbeats Through History series. Each book delves into world history's exciting and influential moments, narrated by a horse. Discover the profound impact horses had on the shaping of wars, the formation of laws, and the course of human history. By the end of the series, you'll understand why horse domestication is pivotal in shaping human civilization.

## BOOK SIGNINGS & EDUCATIONAL PROGRAMS

Our captivating book series offers a unique perspective from the eyes of horses. It explores these majestic creatures' remarkable role throughout history and is designed for middle-grade readers and upward. Book signings can be arranged at various locations, and we could bring a horse along!

The book signing with a horse is \$300 plus an additional charge of \$0.67 per mile traveled.

Educational programs are \$300 plus an additional charge of \$0.67 per mile traveled.

# HOOFBEATS THROUGH HISTORY

*The hoofbeats of horses have forged a path through history.*

## DISCOVER THE WORLD OF EDUCATIONAL PROGRAMS

### **The Gilded Age**

The horse population reached an all-time high worldwide during the Gilded Age. Horse culture dominated fashion, sports, entertainment, and, of course, transportation. Travel back in time and enjoy a look at life in the Gilded Age.

### **The Fire Horse**

For 60 years, the Fire Horse was a prominent feature in American cities. When the alarm sounded, the horses galloped out of the fire station, followed by crowds of spectators and children. As Loula Long Combs wrote, "If you have never seen a horse-drawn fire engine, you 'aint seen nothing!"

### **Women and Horses**

Explore the deep connection between women and horses, from historical figures like Nefertiti and Annie Oakley to modern icons like Coco Chanel. Discover your identity as a Warrior Woman, a Trendsetter, or a Goddess within the equestrian world.

### **The Medieval Horse**

Various horses were used for different purposes during the Middle Ages. Discover the rules of chivalry and determine which horse would have been yours.

### **The Mighty Mule**

The mule has been vital throughout history. It embodies various qualities such as loyalty, strength, reliability, intelligence, patience, and humor. Join us in appreciating and admiring "The Mighty Mule".

### **The American Horse**

Many say the Americans would never have won the Revolution without the horse. Find out why and learn about the horse's many contributions to America.

### **The Unsung Heroes of World War I**

Remember to honor the unsung heroes of World War I—the horses. Their incredible and emotional story is presented here, offering a unique blend of laughter and tears.

### **Development of Horse Breeds in America**

Horses have only been in America for 500 years—or have they? How did they get here, and how did all the breeds we have today evolve?

### **Westward Ho!**

The Western Migration was a monumental movement that helped spur our nation's transportation into gear. In this presentation, you will meet pioneers, mountain men, famous historical figures, and everyday families who traveled to a better life - all with the help of horses!
